RE : VISIT TO THE U.S. IN JUNE,
1957, OF LUIS MUNOZ MARIN,
GOVERNOR OF PUERTO RICO

On May 20, 1957, I had occasion to speak with Governor LUIS MUNOZ MARIN. At that time the Governor advised me that on June 9, 1957, he will receive an honorary degree from Bates College at Lewiston, Maine. He also stated that he may make one or more radio talks and from June 23 to June 26, 1957, he intends to be present at the Governor's conference at Williamsburg, Virginia. The Governor explained that he has made tentative arrangements to leave San Juan on June 4, 1957, and return approximately June 27, 1957. He stated that final arrangements will be made in the near future so far as his itinerary is concerned, at which time he will advise this office.

As soon as more detailed information is received, the Bureau and interested offices will be advised.

captioned "Frente de Liberacion Nacional (FLN), IS - PR," 3-6-58,
to Bureau, Washington Field, and San Juan.

Rerad 3-3-58 reflects Lieutenant Colonel William Santana
(NA), assistant superintendent, Police of Puerto Rico, will con-
tact Washington Field Office (WFO) upon his arrival in D. C. WFO
should question Santana to determine whether he or any of the governor's
party have any information which indicates criminal element in
United States desires to harm the governor. WFO should advise
Santana the FLN is holding a meeting 3-7-58 in New York City at
which meeting the FLN will discuss, among other matters, the action
to be taken by the FLN regarding the visit of Governor Munoz to
New York City. The Bureau is not responsible for the protection
of Governor Munoz or his party; therefore, Santana should not be
asked if protection is desired. Santana is no doubt aware that
such protection is the responsibility of the local police.

Any information received from sources which may reflect
upon the safety of Governor Munoz or his party should immediately
be furnished the Bureau and the office covering the place where
Governor Munoz is at that time in order that appropriate officials
may be advised. New York should, through its sources, follow for
the results of the 3-7-58 FLN meeting and promptly advise Bureau

b7D [redacted] advised SA THEODORE P. ROSACK 3/10/58 that a group of members of the Frente Liberacion Nacional (FLN) departed NY for Washington 3/10/58 to establish a picket line and anticipated returning to NY on 3/11/58.

The NY public press, 3/10,11/58 carried several articles to effect that Puerto Ricans, disclaiming relationship with the Puerto Rican organization who had attempted to assassinate former President TRUMAN, had established a picket line in the vicinity of the White House, 3/10/58. It appears, therefore, this would be the FLN.

ReNY airtel 3/11/58, requesting WFO to determine when Governor MUNOZ will visit NY.

Lt. Col. SANTANA advised SA HARMON J. OGREN on 3/13/58, that he does not know as yet when the Governor will leave Washington, D. C. He stated that, in view of the picketing in Washington by the Frente de Liberacion Nacional (FLN) and the fact that the FLN possibly intends to have some sort of demonstration when the Governor gets to NY, it is his personal opinion that the Governor will not go to NY.

SANTANA stated he would notify WFO immediately upon learning the Governor's plans.

FBI

This letter will confirm information telephonically furnished this date by Mr. H. P. Higgins of this Bureau to [REDACTED] of your office and to [REDACTED] Office of Security, Department of State.

This Bureau recently received information that Luis Munoz Marín, Governor of Puerto Rico, is scheduled to speak before the American Legion Convention at Chicago, Illinois on September 4, 1958.

An article appearing in the August 31, 1958, issue of "El Sol De Chicago," a Chicago, Illinois, Spanish language weekly newspaper, reflected it was rumored that some Puerto Rican group in Chicago, not further identified, may try to picket Governor Munoz. "El Sol De Chicago" urged Puerto Ricans not to create a disturbance.

Mr. Anthony Vaga, Director, Puerto Rican Commemorial Department of Labor, Chicago, Illinois, advised on August 25, 1958, he had received information from a source of unknown reliability that a group of Puerto Ricans, not Nationalist Party of Puerto Rico members, may picket Governor Munoz and "throw tomatoes."

Frente De Liberacion Nacional

On August 30, 1958, a confidential source who has furnished reliable information in the past, advised that the Frente De Liberacion Nacional (FLN) held a meeting on August 29, 1958, to decide what action would be taken by the FLN if Governor Luis Munoz Marin came to New York.

The confidential source advised that it was decided that no picketing would take place but that leaflets would be printed and distributed at the New York office of the Puerto Rican Department of Labor and the hotel at which the Governor will stay. Funds are to be collected on August 30, 1958, for this purpose as well as to build up the FLN treasury.

The confidential source also advised that it was stated at this meeting that Pelegrin Garcia, one of the FLN leaders in New York, was in Cuba visiting Fidel Castro, Cuban Revolutionary leader, for the purpose of having Castro sign documents agreeing to help the Puerto Ricans gain their independence after Cuba is freed. This help for Puerto Rico is to be in return for help given to Castro by the Puerto Ricans desiring independence. According to the informant, there are Puerto Ricans fighting with Castro in Cuba, but the number was not specified.

This is furnished to you by the Federal Bureau of Investigation and neither it nor its contents are to be distributed outside the agency to which loaned.

ENCLOSURE

Fronte De Liberacion Nacional De Puerto Rico,
also known as National Liberation Front (FLN)

Jose Gil de Lamadrid advised Special Agents of the Federal Bureau of Investigation on December 3, 1957, that the Fronte de Liberacion Nacional was organized on October 26, 1957, in New York City by a group of twenty young Puerto Ricans who are determined that Puerto Rico will be independent.

A confidential source advised on February 20, 1958, that the FLN was composed of all types of people, including Nationalists and Communists. The FLN is composed of revolutionists, politicians and an in-between group. The source stated that the revolutionists advocated revolution to obtain independence for Puerto Rico while the politicians desired that the FLN become a political party. The in-between group does not favor revolution.

The confidential source advised on May 13, 1958, that the majority of the FLN Board of Directors, including FLN President Jose Gil de Lamadrid, favored the FLN becoming a political party and plans are being developed for the FLN to move to Puerto Rico to participate in the elections. Efforts are to be made to "have the FLN inscribed" in Puerto Rico and petitions with signatures will be gathered for this purpose.

Another confidential source advised on August 12, 1958, that the plan to have the FLN participate in the elections in Puerto Rico did not materialize as a result of opposition to the plan by the Nationalists and Communists. The source stated that as of August 8, 1958, Gil de Lamadrid was no longer active in the FLN and that the FLN was no longer active in Puerto Rico.

The FLN is a political party of Puerto Rico and is designated by the Federal Bureau of Investigation as a subversive organization under Executive Order 10450.

San Juan radiogram 1-28-59, captioned as above, advised that some Dominicans had passed through San Juan bound for New York and two of them were believed to be transporting a suitcase of \$20.00 bills in U. S. currency.

On 1-29-59, I contacted ASAC Schmit, NYO, and referred him to San Juan radiogram and told him to have the Dominicans located and interviewed to find out what they are up to.

Schmit said this would be done and the Bureau advised.

MISCELLANEOUS - INFORMATION CONCERNING
(NATIONALITIES INTELLIGENCE SECTION)

This will confirm information telephonically
furnished to [REDACTED] on January 29, 1959, by
Special Agent F. M. Mooney of this Bureau.

On January 28, 1959, our San Juan, Puerto Rico,
Office received information from the Palace of Puerto Rico
to the effect that three Dominican nationals had recently
transited San Juan from the Dominican Republic en route
to New York City. Two of these individuals, identified
as [REDACTED] were
believed to be transporting a suitcase full of \$20 bills
in United States currency. [REDACTED] was characterized as
"Trujillo's number one henchman." The third individual
was identified as [REDACTED] who was character-
ized as a "bringer of bad news." The Palace of
Puerto Rico called attention to the fact that Governor Luis
Bernice Marin of Puerto Rico was then visiting the United States
and was residing at the Mayflower Hotel, Washington, D. C.
It was suggested that the travel of the above-listed
three individuals might have some connection with
Governor Marin's visit to the United States in view of
the bitter animosity which has existed in the past between
Governor Marin and the Trujillo regime in the Dominican Republic.

Moreover, [REDACTED] claimed not to know [REDACTED] who is employed as a mechanic for an automobile wrecking firm at New York City, was interviewed by our New York City Office on January 30, 1959, and generally confirmed the information given by [REDACTED]. According to [REDACTED] he had not met [REDACTED] prior to their recent travel to the Dominican Republic. [REDACTED] said that on his return trip to the United States, he had carried only a package of records and pictures of his wedding and, further, that his baggage had consisted only of a suitcase filled with clothes and a rocking chair. [REDACTED] said he was not acquainted with [REDACTED].

Three separate sources who are generally familiar with Dominican activities in the New York City area were contacted on January 30, 1959, and could furnish no additional information regarding travel of [REDACTED]. These sources characterized [REDACTED] as an opportunist and "favor seeker" who had no past history of violence.

A summary of the foregoing information was furnished to Sergeant Victor Rodriguez of the Police of Puerto Rico, who is assigned to the security detail accompanying Governor Moxes, on January 31, 1959. Rodriguez advised that Governor Moxes and his party planned to leave Washington, D. C., Sunday morning, February 1, 1959, for New York City, where they would remain about three or four days, staying at the Park Plaza Hotel. According to Rodriguez, the Governor and his party would probably depart New York City for San Juan, Puerto Rico, by plane about February 3 or 4, 1959.

We are continuing efforts to locate and interview [REDACTED] and the recipient agencies will be advised of any pertinent information developed in this regard.

Reference is made to my letters dated February 2 and February 4, 1959. It has been determined that Governor Munoz departed New York City for San Juan, Puerto Rico, on morning of February 8, 1959. Inquiries by our New York City Office, including checks with appropriate informants familiar with Dominican activities, a review of local Immigration and Naturalization Service records, checks of appropriate airline records, and a review of New York City Police Department files, have failed to develop any information regarding [REDACTED] to indicate that this individual has, in fact, entered the United States at New York City.

One of these persons was described as Trujillo's "Number One Hatchet Man" and [REDACTED] who was said to be carrying suitcase filled with money, was characterized as Dominican "trigger man." Puerto Rican police expressed apprehension concerning safety of Governor Munoz, bitter Trujillo critic, who was visiting U.S. at time. Two of individuals involved have been interviewed by NYO and offered what appeared to be logical explanations of their travel. Inquiries by New York have failed to substantiate original allegations in any way. However, field is continuing efforts to locate [REDACTED] including recheck with San Juan police for further details.

ALLEGES THE ISLAND IS A
CENTER OF PLOTS

One of TRUJILLO'S followers
Accuses MUÑOZ

Paris, March 18

A public official who rates high in matters of the Dominican press accused Governor LUIS MUÑOZ MARIN of Puerto Rico today, for having turned the Island into "a center of plots and a center of public funds collecting, in order to contribute" to the warlike undertaking of overthrowing the Dominican government. He said that MUÑOZ MARIN had done this while "sheltering under the American flag."

The Dominican official, RAMON MARRERO ARISTY, identified himself as the Coordinator of the Press in the Dominican Republic. He said on his arrival here from New York, that "the introduction of a terror regime in Cuba and the alliance of this regime with the leftist government of RO-MULO BETANCOURT in Venezuela, have virtually created a state of war between those countries on one side and the Dominican Republic and Haiti on the other side."

MARRERO ARISTY, former Secretary of Work for TRUJILLO'S regime and ex-editor of one of the two newspapers published in the Dominican capital - La Nación - stopped here on his way to Switzerland, where he will remain for several days before returning to America.

The statements made here by MARRERO ARISTY were received with interest; since he is one of the public

officials who has been identified more with TRUJILLO'S regime, especially in matters pertaining to the press and foreign affairs.

MARRERO added that "in Cuban soil, they are training 12,000 men in several arms, financed and led by FIDEL CASTRO'S government in order to invade Haiti and the Dominican Republic."

He went on to say that "the Government of BETAN-COURT is cooperating in this campaign by collecting funds through their public officials in order to finance this war. Governor LUIS MUÑOZ MARIN of Puerto Rico, sheltering under the American flag, has turned the Island, he governs, into a center of plots and of collecting public funds in order to help this warlike undertaking."

MARRERO also attacked JOSE FIGUERES, whom he called "an influential man in Costa Rica" who "is working as coordinator of all the subversive forces against Haiti, the Dominican Republic, Nicaragua and Paraguay."

MARRERO finished by saying: "If (as it is planned) with the help of American liberal and radical elements, FIDEL CASTRO is received in Washington by the United States Newspaper Editors Society and he succeeds in entering the White House by the back door; the American government would have contributed in hastening the crisis whose climax will be the open war in the Caribbean."

b7C Munoz scheduled to meet Attorney General Rogers for lunch on fifth floor, Justice Building, 12:30 p.m. 6-15-59. It is possible Munoz may be accompanied by [redacted] and Captain Astol Calero Toledo, members of his security group. Calero advised 6-14-59 that Munoz now scheduled to meet Deputy Attorney General Walsh at above time.

Inasmuch as the Director may run into Munoz and above members of party, following information is set forth for the Director's assistance.

Munoz elected Governor of Commonwealth of Puerto Rico 1948. From 1941 to 1948 he was President Puerto Rico Senate. He was founder of Popular Democratic Party in 1938. In 1930's he reportedly desired independence for Puerto Rico by peaceful means, however, since early 1940's has been pro-United States and advocate of United States policy in Western Hemisphere. Bureau and Munoz have maintained cordial relationship and SAC Santioana, San Juan, has been close contact of Munoz. Bureau has maintained liaison with members of Munoz' security staff on matters re possible violence to Munoz and on 6-11-59 unsubstantiated information of plan to assassinate Munoz in New York City was furnished this staff.

b7C [redacted] and Calero are both National Academy (NA) graduates in good standing. [redacted] attended 44th session and Calero 31st session of NA. Calero observed the Director at Mayflower Hotel 6-11-59 but did not speak to Director, however, indicated he would greet him if opportunity should arise again.

Munoz in Washington testifying before Senate Committee on Insular and Interior Affairs in support of bill which would put different Federal agencies under control of Commonwealth and amend certain portions of Federal Relations Law. Included in above is amendment to income tax law preventing numerous Federal employees from evading payment of Federal or Commonwealth income taxes.

For years numerous groups have been calling for complete independence for Puerto Rico from United States and within past year at least 14 different Puerto Rican organizations have emphasized desire to bring this about. Means to achieve independence have ranged from legal 100-5745

One of the most dangerous groups is Nationalist Party of Puerto Rico (NPPR) which has made frequent use of violence and terror. It has been inactive for past few years because of illness of Pedro Albizu Campos its president but numerous imprisoned NPPR members have been recently released and emphasis has been placed by NPPR on necessity of a revolution in Puerto Rico.

I was in contact with Governor LUIS MUNOZ MARIN of Puerto Rico on Friday, 11/20/59. There were no problems except he indicated concern regarding the following:

He said that he has noted some people of Nationalist and Communist background have, in the recent past, gone to Cuba and that he was a little concerned that they might be placing themselves in contact with members of the FIDEL CASTRO government for the purpose of agitating against the United States and Puerto Rico as to the question of Puerto Rican independence. He said he admired FIDEL CASTRO for the action taken by him in removing BATISTA and the latter's government but that he was afraid that CASTRO might be taking more than a normal interest in the welfare of Puerto Rico.

He also indicated that ROMULO BETANCOURT, incumbent president of Venezuela, has been a friend of long standing. MUNOZ advised that there have been a number of things which have occurred in the past which would lead him to believe that perhaps BETANCOURT does not have as strong a grip in Venezuela as he should have since there have been Venezuelan groups, Venezuelans and Venezuelan representatives who have openly advocated independence for Puerto Rico. (It is interesting to note that Governor MUNOZ MARIN, his wife and some close associates were invited to the presidential inauguration of BETANCOURT when he took over the presidency in Venezuela. They did not attend. I heard on 11/23/59 from a doctor who is a friend of one of the Governor's party who was supposed to attend the inauguration, that BETANCOURT had written to Governor MUNOZ MARIN and suggested that he not attend because the general feeling in Venezuela would not be responsive to MUNOZ' appearance there.)

Dear Mr. Hoover:

I thought you would be interested in my personal observations concerning Governor Luis ~~Mano~~ ^{Mano} ~~Marin~~ ^{Marin} of Puerto Rico as a result of having attended a conference at his request on Saturday, February 20, 1960.

The Governor had no problems as far as the Bureau was concerned. I was the only Continental present at this meeting. The others present were Superintendent of Police Ramon Torres Braschi; Colonel Salvador T. Roig, MA, Chief of Operations of the Police Department; Captain Astor Calero, MA, Chief of the Security Squad for the Governor; and Hiram Cancio, Attorney General of Puerto Rico.

The purpose of the conference was to have Superintendent Torres Braschi review for the Governor any current information concerning possible picketing of the President on his visit to San Juan on February 22, 1960, by groups seeking independence through violence, and for review of preparations made by the Police to handle such matter.

Picture Taking of Pickets

The Governor was very much concerned that representatives of TV stations from the States would take pictures of the groups which were reportedly going to picket at the airport on the arrival of the President. The Governor was in favor of restricting the picketing to a road leading into the airport which is approximately a mile away from the airport. The Attorney General and the Superintendent of Police told him this would be difficult to handle and could result in embarrassment to the Governor.

57 MAR 1960

Mr. J. Edgar Hoover

The Governor's fear was based on the fact that if any such pictures were taken, they could be used abroad, especially in Latin America, and would give a false picture as to the strength of independence groups in Puerto Rico. However, during the conference it developed that members of the Statehood Party also planned on conducting a possible picket advocating statehood for Puerto Rico. It appeared, therefore, that the Governor was more concerned about the Statehood Party picket than the picket by independence groups, the idea being that people abroad might feel that the Statehood Party was strong in Puerto Rico and not reflect what he considers the true political status of the island.

Appearance at the Airport

The Governor inquired of Superintendent of Police Torres Braschi as to how he was going to the airport. He was advised he was to be driven in his car. The Governor said he would not do that since he did not want to pass the picket lines and therefore made arrangements to be flown in a Piper Cub from Isla Grande Airport, which is approximately ten miles from Isla Verde Airport where the President landed.

U. S. Secret Service

The Governor and others were surprised at the liberality exercised by Secret Service in connection with the President's visit to San Juan. The Governor thought, from his personal observation, that Secret Service was a lot tighter on security of the President in the United States than they were here in Puerto Rico.

Very truly yours,

J. F. Santoiana, Jr.

FROM SAC, SAN JUAN 111404

advised ✓
LUIS MUNOZ MARIN, GOVERNOR OF PUERTO RICO, VISIT TO UNITED STATES, JANUARY, 1961. RE WASHINGTON FIELD RAD JANUARY 10 LAST. JANUARY 10, 1961, I CONVERSED WITH GOVERNOR LUIS MUNOZ MARIN IN HIS OFFICE FOR APPROXIMATELY HALF AN HOUR, WITH TALK DEALING MAINLY WITH A REVIEW OF RECENT SUBVERSIVE ACTIVITIES IN PUERTO RICO. TOWARD CLOSE OF CONVERSATION GOVERNOR STATED HE HAD BEEN THINKING THAT JANUARY 20 INAUGURAL PARADE IN WASHINGTON, D. C. MIGHT PROVIDE PUERTO RICAN NATIONALISTS WITH OPPORTUNITY TO ATTEMPT VIOLENCE AGAINST PRESIDENT ELECT KENNEDY AND/OR POSSIBLY AGAINST HIMSELF INASMUCH AS HE WOULD BE RIDING IN AN OPEN CAR AND MIGHT BE A LOGICAL TARGET. HE ADDED THAT SO FAR AS HE KNEW THERE WERE NO ACTUAL PLANS FOR VIOLENCE, BUT THE NATIONALISTS ARE APT TO ACT IMPULSIVELY AND IN A SOMEWHAT SENSELESS FASHION WHEN THEY THINK THEIR DEEDS WOULD RECEIVE DRAMATIC WORLD WIDE PUBLICITY. HE SAID HE HAD SENT HIS SECURITY REPRESENTATIVES TO WASHINGTON AND THEY WOULD CONTACT DISTRICT POLICE ON THE MATTER. I ADVISED HIM THAT UP TO THE PRESENT MOMENT WE HAD RECEIVED NO INFORMATION INDICATING PLANS FOR VIOLENCE ON INAUGURATION DAY BUT THAT WE WERE IN CONSTANT TOUCH WITH OUR SOURCES, AS WELL AS WITH THE HEAD OF THE DIVISION OF INTELLIGENCE, POLICE OF PUERTO RICO. I ALSO EXPLAINED SECURITY FUNCTION OF U. S. SECRET SERVICE. THE GOVERNOR THEN CHANGED CONVERSATION TO ANOTHER TOPIC. FOLLOWING

On the morning of 1/2/61 Governor LUIS MUNOZ MARRON was formally sworn in for his fourth term of office in Puerto Rico. On behalf of the Bureau, I attended the ceremony and noted the following which may be of interest:

SETTING

The ceremony took place on an outdoor stage set up beside the Supreme Court Building overlooking a lawn with reflecting pool. On both sides of the pool folding chairs had been arranged to seat a total of approximately 400 people.

ATTENDANCE

The ceremony was simple and brief, very different from the show of pomp and protocol normal to functions of State throughout Latin America. Few celebrities were present. The Foreign Minister of Venezuela, Dr. MARCOS FALCON BRICENO, paid the respects of his country, and from the United States there were various college professors as well as Former Assistant Secretary of State ADOLPH A. BERLE, JR.

Though the reserved seats were in a roped off area, there were ample facilities on the extension of the lawn for a numerous public. Such a public did not make its appearance, and the apparent indifference on the part of the public to this ceremony was remarkable. Though the Caribe Hilton resort hotel was in the immediate area, there was not even a representative attendance from American tourists.

SECURITY

The governor was exposed to the public at all times during the ceremony, and the top officers of the Police of Puerto Rico with whom I conversed did not appear to be the

least concerned with any possible security problem. Policemen stationed at intervals around the outside of the area were lounging under the trees with no apparent seriousness of purpose.

ACCEPTANCE ADDRESS

The governor, after being sworn in by the presiding justice of the Supreme Court of Puerto Rico, made a twelve-minute address in which he stressed the duties of Puerto Rican citizens to help develop a great civilization in Puerto Rico. He also made reference to the responsibility of Puerto Rico to help in spreading true democracy throughout Latin America. His speech was delivered in a plain manner, but without resorting to dramatic delivery the governor was eloquent and effective.

OFFICIAL REPRESENTATION

As indicated above, there seems to have been no effort to attract statesmen from Latin America as honored guests. Venezuela was represented and a message was read from the Columbian government.

President-elect JOHN F. KENNEDY's message was read and translated, as well as the messages of New York Governor NELSON ROCKEFELLER, Senator J. W. FULBRIGHT and other members of Congress. As a possible interesting sidelight on the governor's campaign dispute with elements of the Roman Catholic Church, it was noted that the church did not appear to be represented.

EVENING RECEPTION

On the evening of 1/2/61 the Governor and Mrs. MUNOZ MARIN were hosts at an inaugural reception in the official residence and seat of government known as the "Fortaleza". This occasion contrasted strongly with the morning ceremony. Though personal invitations were necessary for admittance the guests thronged the premises. The governor and his wife met all guests in a very simple receiving line with a minimum of formality, while below in the gardens two orchestras and a large number of waiters demonstrated the care that had been taken to provide a memorable occasion. The governor and his wife mixed freely throughout the house and gardens after the reception line had broken up, thus contributing greatly to the air of pleasant informality.

SJ 80-140

An observer of the morning ceremony might well have received the impression that the governor inspired no enthusiasm and had no following. An observer at only the evening reception would probably have come away with exactly the opposite impression.

PERSONAL CONTACT WITH GOVERNOR
AND OTHER OFFICIALS

During the evening I had occasion to converse with the governor, and he expressed very favorable comments concerning the Bureau as well as its Agents assigned here. During the evening, I likewise conversed with the top officials of the Commonwealth State Department as well as various Commonwealth Senators and Supreme Court Justices. These individuals were all very friendly.

Memorandum

TO : DIRECTOR, FBI

FROM : SAC, SAN JUAN (80-140)

SUBJECT: RELATIONS WITH THE GOVERNOR
OF PUERTO RICO*Luis Munoz MARIN*

Recently I made arrangements to pay a courtesy call on Governor MUNOZ MARIN in view of his having recently begun his fourth term of office and also in view of indications that he would attend the Presidential inauguration in Washington, D.C. on January 20 next.

The Governor received me on the afternoon of January 10 last. Although on various occasions during recent months we have been able to converse, it has normally been at some reception or other affair where third persons were present. Accordingly, it was felt of interest to sustain an interview of a more private nature.

The Governor was extremely cordial and although his appointment schedule is always full, he devoted considerable time to this conversation.

An impression which I immediately obtained and which was strengthened during the interview was that the Governor knows relatively little about subversive matters on the Island. This might be due to a lack of interest on his part or to inadequate briefing by the Police of Puerto Rico. I am inclined toward the latter interpretation. The Governor's own State Department is, so far as I have been able to deduce, interested in other matters and maintains very poor liaison with the Police of Puerto Rico on subversive matters.

The Governor was curious with respect to the extent to which Cubans (pro-CASTRO) are active here, especially as to whether they are introducing arms. He indicated his belief that illegal entry, as well as smuggling, must be relatively easy.

He also asked with respect to just what actually took place here during the fall season when the Puerto Rico Libre group was particularly dedicated to planning acts of violence. Concerning these matters his questions showed he had received some intelligence briefing from his own people but had either paid it but slight heed, or his briefing had been superficial.

I felt the occasion propitious for stressing to him the new threat of international communism presented in Puerto Rico by the recent affiliation of the University students group, FUPI, with the International Students Union. I mentioned the prior position of the FUPI as a student independentist organization dedicated to achieve independence through peaceful means and then contrasted that with the present aggressive pro-communist and virulently anti-American platform being pushed by FUPI's leaders. I mentioned the trips of the leaders to communist-dominated countries, as well as the fact that JOHN LANGROD, though a naturalized American citizen, is the son of a Polish United Nations official. This information appeared to be new to the Governor and of strong personal interest. I was careful to avoid any position critical of the University of Puerto Rico, its faculty, or its students. I was also careful not to criticize the FUPI, giving instead only factual data on the successful communist maneuver in taking over leadership. Of course this information has all been made available to the Police of Puerto Rico so that in effect the Governor of Puerto Rico has been constantly advised, but it has never been certain that the importance of this data has been personally stressed to the Governor himself.

Whether benefit may result from this explanation to the Governor is not known, but in initiating his new four-year term he will be facing a situation which could become very critical if the FUPI continues to expand in its influence on the Island. The Chancellor of the University is weak and could not be relied upon to properly evaluate the threat or to adequately inform the Governor.

SJ 80-140

The Governor, while discussing Nationalist Party activities, mentioned possible acts of violence in Washington, D. C. during the Presidential inauguration ceremonies January 20 next. This was made the subject of a radiogram to the Bureau dated January 11 last.

At the termination of the interview, the Governor repeated his highest assurances of esteem for the Director and stated his continuing desire that I contact any of his top officials or himself personally whenever the matter at hand made such appear desirable.

Re WFOrad 1/10/61 and WFO airtels to Bureau 1/16, 17, 23/61 concerning liaison with the Governor's Security Party by WFO

For the information of the Bureau, WFO liaison with the Governor's Security Party has been handled since January 1959 by SA CARROLL M. GARNETT.

As noted in WFO's airtel 1/16/61, WFO assisted Lt. VICTOR P. RODRIGUEZ of the Governor's Security Group in making security arrangements for the Governor's participation in the Inaugural Parade on 1/20/61. Every courtesy has been extended the Governor's Security Group in connection with the above.

On 1/26/61 Lt. RODRIGUEZ asked SA GARNETT what "your organization" would think of SA GARNETT coming to San Juan. He explained that he meant a trip to that city and implied that this would be an expense-free trip at the invitation of the Governor. Lt. RODRIGUEZ was advised that this would not be possible, but was thanked courteously for his comments.

It is apparent that Lt. RODRIGUEZ' remarks were intended to convey the gratitude of the Governor and his party for the courtesies and cooperation which have been extended by the Bureau's representative on the occasions of the Governor's trips to the United States. It is thought that the Bureau would be interested in these comments and they are submitted for its information.

WORKERS WORLD PARTY

On April 17, 1959, a source advised that on February 12, 1959, a Socialist Workers Party (SWP) minority group, under the leadership of National Committee member SAM BALLAN, known in the SWP as SAM MARCY, split from the SWP.

The source stated that this minority group, referred to as the Marcyites, after many years of program and policy differences on varied issues concerning tactics and interpretation of political events, split from the SWP on the grounds that the Party was liquidating itself by departing from the Marxist precepts of LEON TROTSKY and retreating from the fight for the world socialist revolution. The final issue which ultimately forced the split was the minority's opposition to the SWP regroupment policy which involved cooperation with the Communist Party (CP) periphery - individuals characterized by the minority as petty-bourgeois.

The minority program, according to the source, advocates the unconditional defense of the Soviet Union and has as its goal the building of a revolutionary party with a complete proletarian orientation for the purpose of overthrowing capitalism in the United States and throughout the world.

On May 12, 1960, the source advised that this minority group had chosen the name Workers World Party with headquarters located at 46 West 21st Street, New York, New York.

The SWP and the CP have been designated by the Attorney General of the United States pursuant to Executive Order 10450.

TO DIRECTOR AND SACS MIAMI NEW YORK WASHINGTON FIELD
FROM SAC SAN JUAN 021800

LUIS MUNOZ MARIN. GOVERNOR OF PUERTO RICO. ON SEPTEMBER 28 LAST, GOVERNOR MUNOZ MENTIONED TO ME HIS PLANS FOR A TRIP TO THE CONTINENTAL UNITED STATES, WITH TRAVEL TO BEGIN TOWARD END OF FIRST WEEK IN OCTOBER BUT EXACT DATE NOT CERTAIN, HE ASKED THAT OFFICES WHICH NORMALLY ARE APPRISED OF HIS VISITS BE SO APPRISED IN ORDER THAT HIS POLICE REPRESENTATIVES HANDLING SECURITY OF GOVERNORS GROUPS CAN ESTABLISH CUSTOMARY LIAISON. GOVERNOR MUNOZ STATED THAT FOR IMMEDIATELY FORESEEABLE FUTURE HE WOULD AVOID USE OF COMMERCIAL AIRLINE BETWEEN PUERTO RICO AND CONTINENTAL UNITED STATES DUE TO POSSIBILITY THAT PLANE ON WHICH HE MIGHT BE A PASSENGER WOULD BE HIJACKED AND FLOWN TO HAVANA, CUBA. HE FEELS FIDEL CASTRO MIGHT THEN OFFER A POLITICAL EXCHANGE OF THE GOVERNOR FOR PEDRO ALBIZU CAMPOS. HE STATED HE WOULD CONSULT WITH ADMIRAL ALLAN K. SMITH, JR., COMMANDANT OF 10TH NAVAL DISTRICT, SAN JUAN, CONCERNING POSSIBLE USE OF A NAVY PLANE AND CREW, AND FAILING IN OBTAINING THAT HE WOULD CONSIDER CHARTERING A PLANE. REGARDLESS OF TYPE OF PLANE USED HE PLANS TO FLY TO MIAMI AND TAKE TRAIN FROM THERE TO WASHINGTON, DC. TODAY I SPOKE WITH THE GOVERNOR TO ASK IF HIS TRAVEL PLANS AND ITINERARY HAD BECOME MORE DEFINITE. HE ADVISED IN THE NEGATIVE, BUT STATED HE WOULD INFORM ME AS SOON AS ADDITIONAL PLANS MATERIALIZED FOR TRIP. TENTH NAVAL DISTRICT

THIS FLIGHT DEPARTS SJ 2:15 PM, AND ARRIVES MIAMI 3:45 PM. I CONTACTED TENTH NAVAL DISTRICT HERE CONCERNING DEVELOPMENTS ON GOVERNOR'S PREVIOUS REQUEST FOR NAVY PLANE AND CREW AND LEARNED GOVERNOR'S REQUEST HAD BEEN CANCELED IN SJ, ALTHOUGH ALL INDICATIONS WERE THAT REQUEST WOULD BE FAVORABLY APPROVED BY NAVY DEPARTMENT. I CONTACTED GOVERNOR'S OFFICE AND ASCERTAINED THAT FLIGHT INFO WAS BEING HANDLED AS VERY CONFIDENTIAL MATTER WITH KNOWLEDGE RESTRICTED TO ONE ASSISTANT. HE STATED GOVERNOR WOULD PROBABLY DEPART FOR MIAMI TOMORROW ON THE PAN AMERICAN FLIGHT BUT IT WOULD NOT BE KNOWN FOR CERTAIN UNTIL 9 AM TOMORROW. REASON GIVEN WAS LOCAL WEATHER CONDITIONS, IT BEING NOTED THAT TROPICAL STORM HAS BEEN IN THIS AREA DURING PRECEDING 24 HOURS. BUREAU AND MIAMI WILL BE ADVISED TOMORROW OF RESULTS OF FURTHER CONTACT WITH GOVERNOR'S OFFICE. OF POSSIBLE INTEREST TO BUREAU IS FACT THAT TENTH NAVAL DISTRICT WAS NOT GIVEN EXPLANATION BY GOVERNOR'S OFFICE CONCERNING CANCELLATION OF REQUEST FOR NAVY PLANE. In previous contact Governor Marin advised SAC, San Juan of plans to avoid use of commercial airline in travel to U.S. and possibly request U.S. Navy plane and crew. Governor expressed fear that Cubans might hijack commercial plane and that Castro would then offer him in political exchange for Pedro Albizu Campos, leader of Puerto Rican CP.

LUIS MUNOZ MARIN. GOVERNOR OF PR. INFO CONCERNING (SUBVERSIVE CONTROL). REBURAD OCTOBER 30 LAST. WITH RESPECT TO BUREAUS INSTRUCTION I DISCUSS WITH GOVERNOR THREAT TO INTERNAL SECURITY REPRESENTED BY VIOLENT-TYPE NATIONALIST GROUPS, PLEASE BE ADVISED I CONSIDER THIS MATTER TO HAVE BEEN HANDLED ON OCTOBER 29 LAST. ON THAT DAY AND DAY PREVIOUS, I HAD BEEN IN PERSONAL CONTACT WITH GOVERNOR MUNOZ AT THE EXECUTIVE MANSION IN CONNECTION WITH THE VISIT OF CHEDDI JAGAN. THE GOVERNOR ASKED ME FOR LATEST DATA ON SUBVERSIVE THREATS, AT WHICH TIME I DISCUSSED THE SITUATION OF LAURA MENESES DE ALBIZU CAMPOS, JUAN JUARBE JUARBE, JUAN ANTONIO CORRETJER AND OTHERS, GIVING BRIEF RUN DOWN ON SALIENT DEVELOPMENTS. I INDICATED THAT VIOLENT-TYPE NATIONALIST GROUPS ARE A THREAT TO INTERNAL SECURITY, AND THE GOVERNOR AGREED. THE GOVERNOR CONTINUES TO BE PREOCCUPIED WITH SUPPOSED OR REAL THREAT TO HIMSELF REPRESENTED BY CASTROISM. THIS APPEARS ALMOST TO BE AN OBSESSION WITH HIM. HE DESIRED TO POINT OUT THAT HE EXPECTS TO BE IN MIAMI, FLORIDA, NOVEMBER 19, 20 AND 21 NEXT, AND HE IS APPREHENSIVE CONCERNING POSSIBLE HOSTILE INCIDENTS ARISING FROM PRESENCE OF LARGE NUMBER OF CUBAN REFUGEES IN FLORIDA, WHICH GROUPS HE PRESUMES CONTAIN CASTRO AGENTS AND PROVOCATEURS. HE INDICATED HE WOULD PROBABLY CANCEL A TV STUDIO APPEARANCE IN MIAMI WHICH IS TENTATIVELY ON HIS AGENDA. HE INDICATED AS SOON AS ITINERARY DEFINITE HE WILL ADVISE ME OF DETAILS. AND THEN SUDDENLY BROKE OFF AND STATED THAT IT WOULD NOT BE IN THE PUBLICS INTEREST TO CARRY ON THIS DISCUSSION. [REDACTED] ADVISED ME THAT IN VIEW OF THE GOVERNORS NORMAL FACILITY FOR HANDLING A PRESS CONFERENCE IN A CLIB MANNER, HIS ABRUPT TERMINATION OF THE QUESTIONS PROBING HIS CRITICISM OF THE FBI REPORT WAS SO FAR FROM HIS NORMALLY SMOOTH TECHNIQUE THAT ALL TWELVE REPORTERS PRESENT COULD NOT HAVE MISSED THE POINT THAT THE GOVERNOR FELT HE WAS TRAPPED WITHOUT A GRACEFUL EXIT. [REDACTED] FELT THAT EVEN THOUGH THIS WILL NOT BE PUBLISHED BY ANY OF THE LOCAL NEWSPAPERS ALL PRESS REPRESENTATIVES WHO ATTENDED THE PRESS CONFERENCE WILL FEEL THAT THE GOVERNOR WAS UNSOUND IN HIS CRITICISM OF THE FBI REPORT AND REALIZES THIS. [REDACTED] ALSO CONFIRMED THAT THE MIAMI NEWSPAPER STORY WAS NOT BASED UPON ANY COMMENT MADE BY THE GOVERNOR SINCE HIS RETURN TO PR, BUT RATHER WAS BASED UPON ALLEGED REMARKS THAT THE GOVERNOR MADE DURING HIS RECENT TRIP IN THE UNITED STATES. TODAY THE LEADING SJ DAILY SPANISH LANGUAGE NEWSPAPER "EL MUNDO" IN ITS STORY OF THE PRESS CONFERENCE INDICATES THAT THE GOVERNOR FIRST ENDEAVORED TO SAY THAT PR OFFERED NO SECURITY THREAT BECAUSE THE PEOPLE IN GENERAL RESISTED SUBVERSION BUT LATER UNDER QUESTIONING ADMITTED THAT VIOLENCE AND TRAGEDY COULD BE PRODUCED, AND IN PR NECESSARY PRECAUTIONS WITH RESPECT TO SAME SHOULD BE TAKEN. After being telephonically contacted by the Bureau, Miami advised on 10/28/61 that the 10/25/61 edition of the "Miami Herald" carried an article "Red Peril Report Hit by Munoz." The newspaper quoted Marin as saying the Puerto Rican nationalists, with or without the backing of Castro, cannot change anything in the United States or Puerto Rico. Marin reportedly took issue with the "Federal Bureau of Investigation Report," which labels the nationalists and other groups in Puerto Rico said to be infiltrated by communists, as a "threat to the internal security of the United States."

The FBI Report referred to by Munoz^{Marin} is obviously the Annual Report, Fiscal Year 1961, which shows the Puerto Rican nationalist movement has been a threat to the internal security for many years and that the introduction of international communism into the movement has increased the threat. The Annual Report has been furnished to the syndicated press services.

The Director said the SAC, San Juan, should tactfully but firmly pin Marin down on this matter and also that he wanted to know why the Miami Office had not notified the Bureau about this article.

Miami has now advised that 10/25/61 article appeared in only one of eight editions of "Miami Herald," bears Washington dateline designated as United Press International release and, as such, in accordance with Bureau policy wire service stories emanating outside a Division are not forwarded to Bureau.

This policy will be the subject of a separate memorandum.

San Juan SAC Contact [REDACTED] advised the SAC, San Juan, that he, [REDACTED] had attended Governor Marin's press conference on 10/26/61. [REDACTED] concerning the subversive threat in Puerto Rico in view of the "Miami Herald" article and that Marin had disagreed with the FBI Report. Marin attempted to answer but when reminded of past nationalist violence, Marin broke off the conversation saying it would not be in the public interest to continue.

Memo for Mr. W. C. Sullivan
RE: LUIS MUNOZ MARIN
GOVERNOR OF PUERTO RICO

b7C
b7D [REDACTED] believes that all press representatives at the conference saw Marin. felt he was trapped without a graceful exit and that Marin was unsound in his criticism of the FBI Report and realizes that he was unsound.

"El Mundo," a San Juan Spanish language daily newspaper, on 10/27/61, in its story on Marin's press conference, shows Marin first endeavored to say conditions in Puerto Rico offered no security threat because Puerto Rican in general resist subversion, but later, under questioning by press representatives, Marin admitted that violence and tragedy could be produced in Puerto Rico and necessary precautions should be taken.

The SAC, San Juan, has in the past confidentially advised Governor Marin personally of the potential for violence due to subversive elements in Puerto Rico. The information furnished to the Governor by the San Juan Office and the Police of Puerto Rico has been sufficient to cause Marin to know of the dangers inherent in the Puerto Rican independence movement. It appears he was speaking to the press as a politician and did not want to admit that subversive elements in Puerto Rico could embarrass the Commonwealth Government, as well as the Government of the United States.

ACTION:

There is attached a radiogram to San Juan instructing the SAC to tactfully but firmly pin Marin down concerning this matter in accordance with the Director's desire.

 DIRECTOR'S REPORT TO ATTORNEY GENERAL, BUT HE BELIEVES THAT
 A SENTENCE OR TWO WAS READ TO HIM AND HE WAS ASKED TO COMMENT
 ON NATIONALIST INTERNAL SECURITY THREAT. FROM THE WAY THE
 QUESTION WAS PRESENTED TO HIM IT CAUSED HIM TO IMMEDIATELY
 THINK OF THE DAMAGE WHICH COULD BE DONE TO THE GOVERNMENT'S
 ECONOMIC IMPROVEMENT PROGRAMS IN PR, THE SUCCESS OF PRIVATE
 INDUSTRY NOW OPERATING IN PR AND ALSO THE TOURIST TRADE IF
 HE WERE TO STIMULATE AN IMPRESSION THAT PR IS ON THE VERGE
 OF VIOLENCE AND SUFFERING FROM POLITICAL INSTABILITY. HE
 FURTHER EXPLAINED THAT HE FEELS PR REPRESENTS AN AREA OF
 SOUND ECONOMIC AND POLITICAL ADVANCEMENT AS CONTRASTED WITH
 THE REST OF THE CARIBBEAN AREA, AND HIS ANSWER TO THE PRESS
 DE-EMPHASIZING THE QUESTION WHICH HAD BEEN ASKED OF HIM
 WAS WITH THAT IN MIND. HE ADVISED ME IT WOULD BE INACCURATE

 HE HAD IN NO WAY INTENDED TO IMPLY THE REPORT WAS ILL-FOUNDED.

HE DID, HOWEVER, ON INSTANT DATE TO ME STATE THAT ON REFLECTION HE CAN APPRECIATE THAT WERE THE NATIONALISTS TO ASSASSINATE A TOP EXECUTIVE SUCH AS PRESIDENT KENNEDY AND / OR HIMSELF THEN CONCEIVABLY A CHANGE OF GOVERNMENT WOULD RESULT AND, ACCORDINGLY, THE ANSWER HE GAVE TO THE PRESS IN THE UNITED STATES WOULD NOT BE A FULL AND COMPLETE ANSWER WITH RESPECT TO THE THREAT PRESENTED BY PUERTO RICAN NATIONALISTS. Re WFO Airtel 11/10/61 and SJO Rad 11/11/61.

On 11/13/61 Colonel SALVADOR T. ROIG, Chief of Police of Puerto Rico, advised me that he felt security details with respect to the Governor's present visit were being adequately covered by the Governor's advanced security group. Colonel ROIG knew of no particular problems to be anticipated, but he desired that the Miami Office receive a copy of the list of employees who would handle a luncheon to be served for Governor MUNOZ at Miami, Fla., 11/20/61, in the Dupont Plaza Hotel. The list was accepted from Colonel ROIG for forwarding, but it was expressly stated to him that such action should not be construed as in any way enlarging our normal responsibilities and jurisdictional interests. The list is herewith forwarded to the Miami Office, and inasmuch as it appears to be on stationery of the Dupont Plaza Hotel it would appear that the Police of Miami have a copy of same. Colonel ROIG explained that he made a quick trip to Miami in connection with the Governor's forthcoming Florida visit, and he was in touch with local Police at that time.

A check of the names on the list has been made through the indices of SJO without any positive identifications of persons with known subversive records.

Red Peril OCT 25 1961 Report Hit By Munoz

WASHINGTON — (UPI) — Governor Munoz Marin says that Puerto Rican nationalists "with or without the backing of Fidel Castro" cannot change anything in the United States or Puerto Rico.

The governor took issue with Federal Bureau of Investigation report which labels the nationalists and other groups in Puerto Rico said to be infiltrated by Communists, a "threat to the internal security of the United States."

The governor was critical of what he termed the "technical FBI sense" of the report released Sunday.

Munoz said, "whenever there are violent groups there is always the possibility of attempted violence," adding, "but they cannot effect in any way the thoughts and feelings of the people of Puerto Rico — with or without the backing of Fidel Castro."

If the nationalists did attempt another take-over the governor said, "It would be as meaningless to Puerto Rico and the United States as the 1950 episode."

He referred to the nationalists uprising of Oct. 29, 1950, in which the followers of Pedro Albizu Campos made attacks both on the governor's residence in San Juan and Blair House in Washington.

On the evening of 1/2/62 Governor LUIS MUNOZ MARIN and his wife held their annual New Year's reception at the Governor's mansion "La Fortaleza". I attended and noted that the Governor was very affable, as he normally is. In the past it has seemed that Mrs. MUNOZ MARIN has been somewhat cool towards local representatives of federal agencies. On this particular occasion, however, Mrs. MUNOZ MARIN was extremely pleasant and courteous. As the Bureau is aware, she has definite past relationships with important members of the NPPR. Nationalist Party of Puerto Rico

Re: PLOT TO KILL LUIS MUNOZ MARIN, GOVERNOR
OF PUERTO RICO, AND ROMULO BETANCOURT,
PRESIDENT OF VENEZUELA

NOTE: [REDACTED] are two Venezuelan students who recently completed State Department-sponsored tour of American newspaper offices in this country. They are visiting with relatives of [REDACTED] of Lansdowne, Maryland. [REDACTED] supplied information to the Baltimore Office indicating that [REDACTED] had informed [REDACTED] that she was a communist and that the communists planned to assassinate Governor Munoz Marin and President Betancourt. [REDACTED] were in contact by phone with a [REDACTED] (LNU) and a [REDACTED] respectively, both in San Juan, Puerto Rico. Nature of their contacts not known but according to [REDACTED] they spoke in guarded and apparently coded language.

b7C
b2 [REDACTED] on interview 2/12/62 denied girls told her of any plot to assassinate Governor Munoz Marin or President Betancourt, or that either girl described herself as a communist or member of the Communist Party. [REDACTED] stated both girls were pre-Castro and hostile to President Betancourt, causing her [REDACTED] to believe in view of past attempts on Betancourt's life that such a plot was possible.

WFO was instructed on 2/12/62 to inform its contact with Governor Munoz Marin's security party of information received concerning plot. Governor Munoz Marin was then in Washington, D.C., but details were not to be given. WFO advised its contact with the Governor's party, informing him that pertinent information developed would be furnished.

Although inquiry has disclosed there is no apparent basis in fact for original allegations, it is believed we should continue to be alert for information concerning [REDACTED] while they are in this country.

This information has been disseminated to State, [REDACTED] INS, Interior, and the military agencies.

SHE ADMITTED THAT SHE HAD SENT [REDACTED] TO THE FBI IN THE HOPES THAT THE FBI COULD LOOK AT THE MAIL OF THE GIRLS AND LISTEN TO THEIR PHONE CONVERSATIONS AND DISCOVER IF THE GIRLS WERE PART OF A COMMUNIST PLOT TO KILL BETTENCOURT OR MARIN. SHE WAS ADVISED THAT THE FBI HAD NO AUTHORITY OR INTENTION OF INTERCEPTING MAIL OR PHONE CONVERSATIONS AND OF THE ILLEGALITY OF EITHER ACTION BY ANYONE. *UACB NO FURTHER EFFORT WILL BE MADE TO INTERVIEW [REDACTED] SINCE NO BASIS FOR THE BELIEF OF ANY PLOT TO KILL BETTENCOURT OR MARIN EXISTS. TO DIRECTOR AND SACS MIAMI, NEW YORK AND WASHINGTON FIELD
 FROM SAC SAN JUAN 152127

LUIS MUNOZ MARIN, GOVERNOR OF PUERTO RICO, VISIT TO THE UNITED STATES, FEBRUARY, 1962. REMYRAD FEBRUARY 14 LAST. SUPERINTENDENT OF PUERTO RICAN POLICE RAMON TORRES BRASCHI TODAY ADVISED ME MAJOR ASTOL CALERO OF GOVERNOR'S SECURITY BODY SPOKE WITH HIM BY LONG DISTANCE TELEPHONE FROM WASHINGTON, D.C. LAST NIGHT. MAJOR CALERO INDICATED WITHIN NEXT FEW DAYS GOVERNOR MUNOZ MARIN PLANNED TO PROCEED TO NEW YORK CITY WHERE HE WOULD ENGAGE IN ACTIVITIES OF A PUBLIC RELATIONS TYPE WITH THE PUERTO RICAN POPULATION OF NEW YORK CITY AND WHICH WOULD INVOLVE THE GOVERNOR'S MINGLING WITH CROWDS IN THE NEW YORK STREETS. SUPERINTENDENT TORRES BRASCHI DID NOT RECEIVE FROM CALERO FURTHER SPECIFIC INFORMATION AND HE DID NOT KNOW WHAT DAYS GOVERNOR MUNOZ MARIN WILL BE IN NEW YORK CITY. HE CONSIDERS THIS SITUATION FRAUGHT WITH POSSIBILITIES FOR VIOLENCE AND HE DESIRED THAT NEW YORK OFFICE OF BUREAU AS WELL AS NEW YORK CITY POLICE DEPARTMENT TAKE ALL POSSIBLE MEASURES TO INVESTIGATE DETAILS OF ALLEGED PLOT AGAINST GOVERNOR IN ADDITION TO, WHERE APPROPRIATE, EFFECTIVE COUNTER MEASURES. TORRES BRASCHI, OF COURSE, UNDERSTANDS BUREAU NOT IN POSITION TO PROVIDE PERSONAL PROTECTIVE SERVICES. I SUGGEST, WHERE APPROPRIATE, INTERNAL SECURITY SOURCES BE ALERTED AND THAT MAJOR CALERO BE ADVISED OF TORRES BRASCHI'S PERSONAL CONCERN WITH RESPECT TO EXPOSURE OF THE GOVERNOR TO CONTACT WITH

On 2/14/62 information was received from the Police of Puerto Rico concerning an alleged plot by a group of New York Puerto Rican nationalists to assassinate Governor Munoz in New York City. The Governor was then traveling in the United States and was expected in New York 2/17/62. The leader of the group was said to be [redacted] a New York Security Index subject. The report of the plot was made by [redacted] who had received the information from nationalist [redacted] a Security Index subject, who in turn had received it from [redacted] reportedly planned to go to New York and [redacted] has been interviewed by the Police of Puerto Rico and has said that he is not at all certain that a definite plot against the Governor exists, but cannot state that it does not exist.

The Governor's security detail was alerted concerning the alleged plot by the Washington Field Office on 2/14/62 and additional pertinent details have been passed on to the security detail by the Washington Field or New York Office as received.

The New York Office has alerted the New York City Police Department and on 2/18/62 interviewed both [redacted] and an associate, [redacted] a Security Index subject. They disclaimed any knowledge of an assassination plot. They were vigorously cautioned concerning any attempted violence and were told their actions would receive continued attention.

REC-116

The New York Office has alerted its informants and is maintaining liaison with the Governor's security detail and the New York City Police Department during the Governor's visit.

ACTION:

This matter will continue to be followed closely with the San Juan and New York Offices. The information is being disseminated to Secret Service, State, Interior, [redacted] the Department, and the military intelligence agencies.

On occasions in the past Governor LUIS MUNOZ MARIN of Puerto Rico has made trips to the United States on very short notice. Inasmuch as his security detail is accustomed to contacting the Bureau Field offices along the lines of the Governor's itinerary it is desirable wherever possible that San Juan give advice to these offices in advance. The presence of Puerto Rican Nationalists and pro-CASTRO Cubans in the continental United States cause the Governor's security squad constant concern on these trips. The Governor himself has a very strong feeling that FIDEL CASTRO would like to hijack the plane bearing him to the United States and, accordingly, the Governor now declines to fly on a regularly scheduled aircraft with respect to his trips to and from the continental United States. He charts a plane which departs San Juan under the greatest conditions of secrecy.

Contact during the current week with Major ASTOL CALERO, in charge of the Governor's security detail, POPR, has produced the following information for future guidance.

Although a San Juan newspaper has stated that the Governor might fly to Washington, D.C., on short notice in order to testify at the U. S. Senate Financial Committee hearings on the Federal tax reform bill designed to eliminate tax havens, CALERO knows of no immediate travel plans. He admits, however, that it is almost impossible to be systematic with respect to the Governor, and it is possible the Governor might make a sudden decision to depart on very short notice.

As matters are at present the Governor has made definite plans to be at the Pick-Congress Hotel in Chicago, Illinois, during the period 5/1-5/4/62. He will attend an AFL-CIO banquet on 5/3/62 and will receive an award. A local press story has mentioned that the Governor is due to receive the Murray-Green Award at the AFL-CIO convention in Chicago, this award being one which recognizes persons who have made contributions to the labor movement.

He is scheduled to speak at an international Lions Club convention at Nice, France, on 6/22/62. He will be aboard the "Antilles" only as far as Spain and he expects to go overland from Spain. During the course of this European visit he expects also to travel in Italy, Greece, Israel, Yugoslavia and possibly Pakistan.

In the event later developments make it appear that detailed information should be made available to the Bureau's European offices, San Juan will obtain such information.

SUBJECT: LUIS MUNOZ MARIN,
Governor of Puerto Rico,
Visit to the U. S.

An article in the April 19, 1962 issue of "Prensa Libre", a Spanish-Language newspaper of small circulation, published weekly in Chicago and distributed free of charge under the Director General, ALFREDO TORRES de JESUS, captioned "Cooperates with the FBI", datelined Chicago (by the Latin-American Press Service), is set forth as follows:

"The Office of Migration of the Department of Employment of the Government of Puerto Rico in this city has been charged with the task of collaborating with the Federal Bureau of Investigation in preparing a list of 'subversive elements' as part of security measures which will have to be taken during the visit of the Puerto Rican Governor to this city this coming May third.

"This information was furnished by telephone by a female employee of the above office who refused to reveal her name and who did not indicate whether she was calling from the office in Puerto Rico.

"According to the source in question, the head of the said office, Senor SALVADOR FERRERAS, in complying with instructions from his superiors in New York, requested of each employee under his supervision that he submit a list of subversive elements known to him.

On 4/19/62, [REDACTED] Security Section, Intelligence Division, Bureau of Inspectional Services, Chicago Police Department, Chicago, Illinois, advised SAs JOLYON ROGERBERG and M. WESLEY SWEARINGEN that CARMEN MAYMI, community organizer, Commonwealth of Puerto Rico, Department of Labor, 30 E. 8th Street, Chicago, had requested information from his department regarding LUCILLE BETHENCOURT, the Puerto Rican Independence Movement, the July 26th Movement, and the Fair Play for Cuba Committee. [REDACTED] stated he was not in a position to furnish MAYMI with any subversive information in view of the fact that MAYMI's organization was not an investigative agency. *see over* **b7C**

The Chicago FBI Office has in the past contacted the Director of the Commonwealth of Puerto Rico Department of Labor, Mr. SALVADOR FERRERAS, regarding background information on various Puerto Rican Nationalists, under investigation by the Chicago Office. At no time has there ever been any collaboration between the Chicago FBI Office and the office of the Commonwealth of Puerto Rico Department of Labor in preparing a list of subversive elements, nor has this office furnished information of any nature to FERRERAS. There has been no request for any data from the FBI by the Puerto Rican Labor Office.

"Prensa Libre" has in the recent past contained articles derogatory of the efficiency of the Chicago Office of the Department of Labor of Puerto Rico. In view of the

attempt by an employee of that office to obtain security data from the Chicago Police Department, it is believed probable that a similar request by that office was either made of "Prensa Libre" officials, or otherwise came to the attention of the "Prensa Libre" office. The management of "Prensa Libre" apparently seized upon an opportunity to point out that the Puerto Rican Labor Office was collecting security data with the definite implication being that that office should be more concerned with obtaining employment for Puerto Ricans. In view of the nature of the item set forth herein, coupled with the limited circulation of the paper, it is not believed either necessary or desirable to contact "Prensa Libre" officials in this matter.

Without an inquiry at the Commonwealth of Puerto Rico Department of Labor Office here, it is, of course, not possible to state whether any attempt on the part of that office to collect security data was in fact as a result of a request of that office by some Commonwealth of Puerto Rican authority, or rather an extemporaneous and unsolicited attempt by the Puerto Rican Labor Office to gather any data which might go to the security of Governor MUNOZ on his forthcoming visit. The request of the Chicago Police Department was impliedly made in connection with the Governor's forthcoming visit. There has been no indication whatever that the office of the Puerto Rican Department of Labor here has made a practice of attempting to ascertain security information concerning Puerto Ricans on a continuing basis. It is felt that inquiries currently made by that office would have been of a "one-shot" nature in connection with the Governor's forthcoming trip. Their office did not in any fashion indicate to the Chicago Police Department that they were engaged in any type of cooperative effort with the FBI.

The above is furnished for the information of the Bureau and no additional action is deemed necessary by Chicago at this time regarding the above. However, Chicago will review forthcoming issues of "Prensa Libre" and advise if items of a similar nature appear. In this regard, a review of past issues of "Prensa Libre" have not reflected any items of a questionable ideological nature.

Reurairtel April 20, 1962.

The Commonwealth of Puerto Rico Department of Labor in Chicago is a logical source for obtaining information regarding the backgrounds of Puerto Rican subject's under investigation by your office.

The information which appeared in the April 19, 1962 "Prensa Libre" article was allegedly obtained from an unidentified "female employee" of the above Department. It is not known whether the "female employee" actually said that the Puerto Rico Department of Labor Office and the Bureau are collaborating in preparing a list of Puerto Rican "subversive elements" which, of course, is not true. This may merely be an interpretation given by "Prensa Libre" in an effort to embarrass the Puerto Rico Department of Labor Office in Chicago. However, because of the above, Chicago should continue to be discreet in any contacts with employees of the Puerto Rico Department of Labor to insure that information concerning our investigation does not get into the possession of unauthorized persons.

Chicago should be alert to determine if future issues of "Prensa Libre" contain similar articles which might be unfavorable to the Bureau.
